- Please look for the 2022 Donation Drive Request in the mail. Eureka relies heavily on this fund drive, so please help us help you. We appreciate all of your support!
- Please remember to put your address on your mailbox and your house/apartment. This will help first responders locate you in the event of an emergency. The address should be large enough to be seen at night and/or during bad weather.
- Please keep snow cleared away from fire hydrants after a snow event. We ask that the snow be cleared 3' around the hydrant to allow the Fire Department quick & easy access in case of an emergency.

Winter is coming!! Please be aware of these important Ordinances to keep our town safe! All of these Ordinances may be read in their entirety on our website, www.stewartstown.org

2005-05—Snow Emergency Plan Ordinance

Police, fire, ambulance & other emergency vehicles are exempt from this restriction. The Ordinance allows for any parked or abandoned vehicle in violation to be towed to an area selected by the Borough. All towing & storage charges will be the responsibility of the vehicle owner.

Phase 2 of the Snow Emergency Plan prohibits parking on all Borough streets including State roads, as stated above but also prohibits motor vehicles to travel on such streets & roads, excluding all emergency vehicles.
