NEW SOFTWARE.....NEW ACCOUNT NUMBERS—

At the time we upgraded our billing software a year ago, all customers were given new account numbers. We urge residents to use their new account number when submitting water, sewer and trash payments. This will help ensure your payments are recorded properly.

And don't forget.....payments can also be made through our Customer Portal. Go to www.stewartstown.org and click on the "Online Bill Pay" link. When setting up your account, you will need your Account Number and your CID Number, both of which can be found on your Borough bills.

ORDINANCE REMINDERS.....

Snow Removal Ordinance

Snow must be cleared to create a safe path on sidewalks within **48 hours** after the snowfall. In the event that snow or ice cannot be removed without likelihood of damage to sidewalks, owner/resident shall cause enough sand or other material to be put on the sidewalk to make travel reasonably safe must also be made within 48 hours after the snowfall.

Snow Emergency Ordinance

All streets within the Borough are considered Snow Emergency Routes. During Phase I, there is no parking on all borough streets including state roads. During Phase II, all traffic is prohibited on all borough streets and state roads. Snow emergencies can be found on channels 8, 21 and 43. Any questions may be directed to the Southern Regional Police Department at 717-235-3944.

IMPORTANT !!!! Stewartstown Borough is requesting customers to NOT flush **wipes** down the toilet. **Baby wipes, floor-cleaning wipes, other disposable wipes, even "flushable" wipes and feminine hygiene items all can cause major headaches and costs in a sewer system.** These products can particularly cause pumps to clog and sewage to back-up. **The costs of clogging pumps or even upgrading of pumps are ultimately a sewage customer cost.** In addition to wipes and "flushable" wipes, customers are again requested to not dispose of **fats, oils and grease down household drains and plumbing.** These materials should be collected and disposed of with regular trash.

Join Cub Scout Pack 156 and experience the fun of cub Scouting

The Pack is always glad to receive new members of any age, with or without scouting experience.

The Cub Scouting Program is constructed to help boys develop practical and mental skills, both in a group setting and as individuals working with family, but most of all it is fun !

For more information contact Gina Kreh @ 993-8286.

TIGER CUBS— is for the youngest boys, generally first graders, who work with a parent or other adult partner to earn the Bobcat Rank and Tiger Cub Badge.

WOLF CUBS— Second grade boys graduate into a wolf den. They go to weekly den meetings on their own, but their families still help them work toward their Wolf Badge.

BEAR CUBS— Boys in the third grade are members of the Bear Den. They also work with their families to do the requirements for the Bear Badge.

WEBELOS SCOUTS— Boys in the fourth and fifth grades become Webelos Scouts. Webelos Scouts do more advanced activities to get ready to graduate into Boy Scouting.

Electronics Recycling Program relocated to Blackbridge Road

Beginning in August, the York County Solid Waste Authority relocated its residential electronics recycling program from Flour Mill Road to the contractor parking area located directly across the street from the York County Resource Recovery Center on Blackbridge Road in Manchester Township. The weekly program is free and open to York County residents **ONLY** every Tuesday, Wednesday and Thursday from 3:00 pm to 6:30 pm. The Electronics Recycling Program collection site is being relocated due to the start of construction of an Ash Processing and Recycling Facility.
